**Disclosure**

By signing below, I certify that I will pay my monthly rent payments at address above on the first day of each month. I do acknowledge that if payment is not remitted in a timely manner my remote access will be blocked and will not grant access until payment is processed. I am aware that if payment is not made and automobile is not removed in a timely manner said automobile will be towed at owners' expense.

For any parking space that requires a remote control, we charge a \$50 purchase fee for the remote. Once you no longer park in the lot, you can return the remote for a full refund. The remote control must be in the same shape as it was when given to you and still be in working order.

The only car authorized to park in your spot is the one listed above. Any other car will be towed at the owners' expense unless verbally approved by the management office. We revoke parking privileges at any time.
